

KATHY SCOTT SOCIETY

LEGACY GIVING

Create a legacy that will save lives by joining the **Kathy Scott Society**. Named after one of our most ardent supporters, this group of caring individuals pledges to support our mission. A legacy gift to PAWS Atlanta is a lasting investment, ensuring our ability to care for animals in need. Your generosity has the power to save countless homeless animals for years to come.

“ I think a lot of other rescues might have given up on my hospice foster, Jason, but PAWS Atlanta never did. I've included PAWS Atlanta in my will so they can help many more Jasons to come. ”
