PEACE OF MIND FOR THE FUTURE

Countless pets have nowhere to go after their owners pass away. That's why we created **The PAWS Atlanta Pet Legacy Program**, which provides peace of mind for their future. By enrolling, your pet(s) will receive exceptional care while we work to place them in a loving home.

## IT'S EASY

### 1 Complete Forms

Complete an enrollment to tell us about your pet(s)

### 2 Designate a Responsible Party

Choose an interim caretaker to bring your pet(s) to PAWS Atlanta upon your passing.

### 3 Provide a One-Time Gift

Provide a \$2,500 donation per pet or name PAWS Atlanta as a beneficiary in your will or trust.

### 4 Provide an Annual Gift

Donate \$500 each year, per pet to provide food, medical care, and shelter for animals in need.
